THE NAME BEHIND THE NEIGHBOURHOOD

As one of the UAE's most trusted and recognised real estate developers, Aldar creates communities that do more than provide an address, they give life room to breathe.

For over two decades, we've been building neighbourhoods with a pulse, communities with a story, and places families take genuine pride in. Not just buildings, but the spaces where something meaningful becomes possible.

From the communities we design to the experiences we shape, every detail is crafted to make life a little richer. Because at Aldar, it's never just about where you live. It's about what becomes possible there.

A young girl with dark hair is lying on her back in a field of tall grass. She is wearing a light blue button-down shirt and reddish-brown pants. She is holding a thin plant stem in her right hand, reaching it up towards the sky. She is looking up at the sky with a smile. In the background, there are modern, two-story houses with large windows and balconies. The houses are lit up from within, and their lights are visible through the windows. There are palm trees and other plants around the houses. The sky is a deep blue with many stars visible. The overall scene is peaceful and serene.

TO BREATHE

AL GHADEER

G A R D E N S

Following the complete sell-out of its first release,
the new release at Al Ghadeer Gardens is now open.
Set between Abu Dhabi and Dubai, a growing family
community brings nature, connection, and everyday
ease together in one place.

BETWEEN TWO WORLDS. BEYOND BOTH.

16 minutes from Al Maktoum International Airport.

35 minutes from Zayed International Airport.

And yet, a world apart.

Al Ghadeer sits at the meeting point of two of the world's great cities. Close enough to reach them, far enough to breathe.

Under open skies, life moves at a different pace. One that leaves room for the things that matter most.

PART OF SOMETHING GREATER

Al Ghadeer is already an established address between Dubai and Abu Dhabi. It's part of Seih Sedeirah, a bold vision for a community that will keep growing long after you move in.

A rich wellness-focused community with a heartbeat, amenities in place, and shaped for people who want more from where they live.

This is where a new era of living begins, and where you have the chance to be part of something special as it continues to grow.

WHERE THE SKY CHANGES EVERYTHING

Discover space so open it changes how you breathe.

Dunes contrast with green gardens, and stargazing lawns invite you to lie back, look up, and simply be. No city glow. No noise. Just you, the sand, and more stars than you thought possible.

At Al Ghadeer Gardens, nature isn't the backdrop. It's the point.

Introducing **Al Ghadeer British School**, the newest chapter of community life, taking shape within the neighbourhood.

THE SCHOOL RUN IS NOW A SCHOOL WALK

At Al Ghadeer Gardens, your kids can walk to school on pedestrianised roads, through a neighbourhood that knows their name. Past the gardens they play in, to an Aldar-run Al Ghadeer British School at the heart of their own community.

You don't just want a home for your children. You want a childhood for them. Friends on the same street. A school they can walk to. Space to run, explore, and come back safely even when it gets dark.

Al Ghadeer Gardens is where your children grow up, not away.

BUILT FOR THE RITUAL OF COMING TOGETHER

Imagine a community where your neighbours are also your Friday plans. Where children run between gardens and adults linger long after the last bite is gone.

Where the last ember of the fire is the only reason the night ends.

With BBQ pavilions, shaded picnic lawns and a community hub, there's always a reason to gather.

From activated public spaces to the morning school run on streets designed for people, not cars, every detail here is designed around bringing people together.

A HOME THAT GROWS WITH YOUR FAMILY

This is a place you grow into, and grow with. Al Ghadeer Gardens offers a choice of townhouses and villas with room for every stage of family life. Whether you are starting out, building something lasting, or putting down deeper roots, each home is designed for the full arc of life.
