VERANDA COLLECTION II
Luxury Lives Here

A photograph of a modern, multi-story apartment building with a light-colored facade and dark brown accents. The building features large glass balconies with glass railings. Several people are visible on the balconies, including a person on the top floor and others on lower levels. The building is surrounded by palm trees and other tropical vegetation. The sky is a mix of blue and orange, suggesting a sunset or sunrise. The overall mood is serene and sophisticated.

The Exteriors

Timeless stone façades and clean modern lines define the external character of The Veranda Collection I.

Every home boasts a private rooftop pergola retreat, shaded car parking, and a design that fuses privacy with openness. Large balconies, lush personal gardens, and alfresco-ready BBQ zones extend your living into the outdoors – so you can entertain or unwind just steps from your door, all while surrounded by the quiet elegance of modern urban design.

Project Interiors

The Veranda Collection One features double-height living rooms filled with natural light, designed to uplift and inspire. Warm cove lighting, shadow-lined ceilings, and Italian-crafted kitchens with full quartz finishes create a harmony of design and durability.

Whether it's the quiet luxury of your private lift or the seamless indoor-outdoor flow, every element is made to elevate modern townhouse living in the city's heart.
