TITANIA

THE SHAPE *of* GRACEFUL POISE

A silhouette of a man holding a young child in a modern living room at sunset. The man is holding the child, who has their arms outstretched towards a large window. The room is dimly lit, with the primary light source being the warm, golden light from the window, which creates a strong backlight effect on the figures. To the left, a sofa is visible in the foreground, and a wall-mounted display of several framed pictures is on the wall. In the background, another sofa and a coffee table are partially visible. The overall mood is peaceful and intimate.
