AT THE CROSSROADS AL AMAL AVENUE

Cutting directly through the heart of Padel Living Residences, the prominent Al-Amal Avenue carves a strategic new axis that links the historic Old City district of Jeddah with the major east-west artery of King Abdulaziz Road. This boulevard not only anchors the development in the city's past and future, but also places it in close proximity to the vibrant Al Shatea area, allowing residents and businesses to benefit from seamless connectivity, coastal amenities, and one of Jeddah's most sought-after districts.

A TUNNEL DESIGNED FOR FLOW

A tunnel beneath King Abdulaziz Road is currently in the works to further ease access and traffic flow into this prime corridor, providing direct access to the Al Shatea area. Giving the site the rare advantage of being both central and exceptionally well-connected.
