OHANA MEANS FAMILY

Ohana means family in Hawaiian; and that's exactly what you can expect to find: a lavish retreat by the sea where you and your family can indulge in your own built-to-measure villa.

VILLA FACADE STYLES

Because we don't believe in the one-size fits all approach, and because we believe that luxury should always be unique, Ohana by the Sea offers you exquisite and high-end architectural options for your villa.

Our Modern Villas are designed to portray the latest designs in the world of architecture. Each of our modern villas combines state of the art amenities with a serene environment to embody the essence of Ohana By The Sea.

Our Mediterranean Villas are inspired by the authenticity of the Mediterranean culture to provide you with luxury.

With a name that means Towards The Sea, villa Makai is the ideal choice for those with an affinity for the ocean and for modern villas architecture.

Living up to their name, each of our villas by the sea embodies the true essence of Beauty with unique designs and state of the art amenities that satisfy all tastes.

Combining luxury with the highest living standards, the inspiration behind Nohea's design came From The Ocean, as its name suggests. Its modern villa design and private pool are a true definition of luxury.

VILLA KALEA 340 SQM - THE MEDITERRANEAN- FRONT

Unmatched luxury with all the means of comfort ensuring that your home is always Filled With Joy, the true meaning behind Kalea, a high end Mediterranean villa.

The Power Of The Sea gives this sea side villa its unique identity, distinguished structure, and also its resounding name.e.

BEACH

A PREMIUM COLLECTION OF EXQUISITE OFFERINGS

The background of the image is a close-up of teal-colored water. The surface is covered with numerous bright, out-of-focus light spots, creating a bokeh effect. These spots vary in size and intensity, with some appearing as sharp highlights and others as soft, glowing circles. The overall texture of the water is slightly rippled, with small waves visible across the surface.
