

MONTE CARLO

DAMAC
lagoons

The image is a horizontal composition. The left half features a silhouette of a woman's head and shoulders in profile, facing right. She is set against a background of a sunset or sunrise over water, with a color gradient from deep orange at the bottom to a lighter, hazy orange at the top. The right half of the image shows a vibrant harbor scene, likely in Monaco. The water is a brilliant turquoise blue. Numerous white yachts and sailboats are docked at piers or anchored in the harbor. In the background, a densely built city with white and light-colored buildings is nestled at the foot of a steep, rocky mountain. The sky is a clear, pale blue with a few wispy clouds. The overall aesthetic is one of luxury and scenic beauty.

AT THE FOOT OF THE ALPS

Slinking in to the French Riviera, lies a fabled land.

Where 50-meter luxury yachts
crowded with exuberant revellers
parade across the Marina,

LUXURY IN ITS PUREST FORM.

This is
MONTE CARLO

SERENADED BY ANGELS

Angelic voices drift across the waters in Monte Carlo, emanating from the Aqua Opera School House pavilion. This gorgeous floating opera house will provide the evening's entertainment in style, playing host to concerts and performances by some of the world's finest singers and musicians.

ROLL THE DICE

Monte Carlo can be fun for the little ones too! The board game casino pavilion will entertain children for hours as they sample exotic board games and card games from around the world.

THE ENGINES ROAR

Car enthusiasts from all around the city will soon flock to the Vintage Car Museum to admire its impressive collection of classic American and European automobiles.

And if you ask nicely, maybe you could even take one out for a spin.

BRING HOME THE GLAMOUR

Monte Carlo has a unique and instantly recognisable charm, one that has been captured and recreated faithfully at DAMAC Lagoons.

The modernity of the bright white walls, double-height windows and sleek wooden features exists in stark contrast with the exposed brick pillars, a nod to Monte Carlo's rich and evolving history.

AS WITHOUT, SO WITHIN

Monte Carlo's tryst with luxury continues within the townhouses. Ample natural light highlights the pure white and wooden elements indoors, while high ceilings lend each unit a measure of poise and grace.
