STUDIO APARTMENT

Type one

This type of Studio apartment offers isolated bedroom space with a separate dining and sitting arrangement near TV unit. In the bedroom, the space is situated a high-gloss wardrobe with a dressing arrangement. The apartment takes maximum advantage of space and offers a very comfortable and convenient setup. The open layout and floor-to-ceiling windows fill the apartment with light, making it bright and airy. A serene color scheme creates a smoothing atmosphere. Quality materials and appliances are used in all areas, laminated flooring, a wooden veneered closet, a semi-matt colored kitchen with quality in-built appliances, artificial stone and ceramic tiling, along with open plan layout to form a harmonious and outstanding space for the owner's comfort.

The transformable kitchen island gives a comfortable opportunity to make adjustments per desire.

The allocation of TV unit enables to comfortably watch TV from the bed and sitting area.

Bathrooms are designed with high-quality materials and Italian fixtures. Wood veneer cabinetry in combination with beige tiling creates a soothing atmosphere.

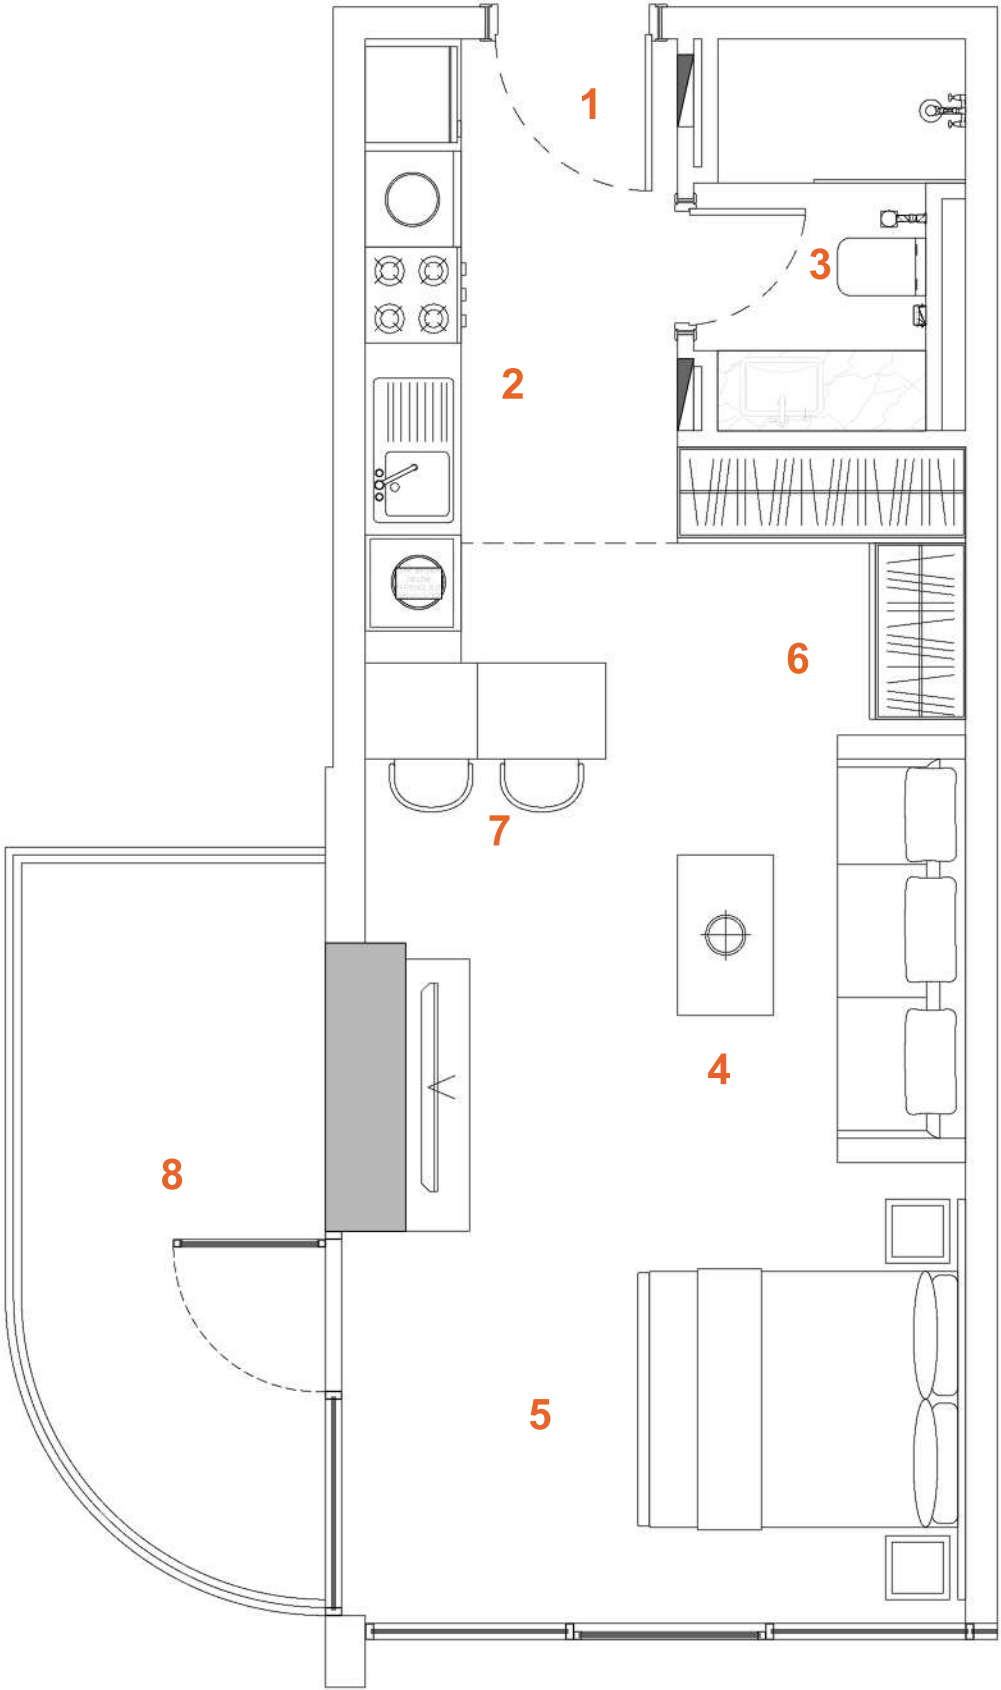

The apartment offers a spacious balcony with ample space for comfortable sitting

PENTHOUSE APARTMENT

Type one

The apartment allocated on the L1 floor has a convenient location and easy access to the landscape and public pool. The first floor of the two-level apartments offer spacious, double-height ceiling living room, open kitchen, laundry, maid's room and ensuite. The living room and ensuite bedroom have access to the oversized terrace with floor level built-in pool. The terrace with the pool, plentiful space and greenery is designed to deliver maximum comfort to owners. The overall design is set to create the ultimate essence of modern luxury. The Kitchen serving as a design element itself is solved in a semi-matt finish with glass vitrines with integrated LED lighting.

An isolated and comfortable sitting arrangement near TV unit along with an open kitchen and separate dining zone is carefully crafted to deliver comfort and convenience. The TV wall and decorative shelving bridge functionality with aesthetics. In the living room an oversized elegant chandelier complements the design. The second floor offers a nice sitting arrangement that overlooks the living area, a master bedroom and a spacious ensuite bedroom. The master bedroom offers a walk-in closet and spacious bathroom with a bathtub, bidet and double vanities. The textile wallpaper in the bedroom delivers the sense of comfort and luxury. All the bathrooms are in a serene color pallet with high-quality materials and Italian fixtures.

The open layout and floor-to-ceiling windows fill the apartment with light, making it bright and airy. A serene color scheme creates a smoothing atmosphere. Quality materials and appliances are used in all areas. In the apartment, high-quality laminated flooring, a wooden veneered closet, a semi-matt colored kitchen with quality in-built appliances, artificial stone and ceramic tiling, creating a harmonious and outstanding space for the owner's comfort.
