Balanced living in the
heart of nature

Enhance the way you live with a natural style

From the moment you arrive, you'll notice how water and nature elements are interwoven through the community as the architecture interacts with the natural environment, creating connection, flow and balance.

Your home, naturally designed

Because we blossom amid nature, Gardenia Bay's elemental design uses natural materials throughout. Abundant greenery and shaded paths lower the outside temperature, making Gardenia Bay the coolest place (literally) on Yas Island.
