

VITA GRANDE
by
METEORA

The image is a horizontal composition. The left half shows a close-up, slightly angled view of a modern high-rise building. It has a light-colored facade with a grid of windows and several balconies with glass railings. Some balconies have small plants. The right half is a blurred, low-angle shot of a city skyline, featuring a tall, dark skyscraper against a pale blue sky. The text is centered in the middle of the image, spanning across the transition between the two halves.
