CORALIS

Grand Residences

ORGANIC ELEGANCE

Inspired by the intricate forms of living corals, this architectural masterpiece rises gracefully along the Meydan Riviera canal. Its organic geometry and soft curves echo the rhythm of the sea, blending natural artistry with contemporary luxury.

Each element celebrates harmony between nature and design — a living sculpture that breathes elegance into the urban landscape.

from REEF TO RESIDENCE

*A building designed around balance —
exclusivity above, community below.*

Rising G+10 floors, Coralis is an architectural statement of calm precision and understated luxury.

The three Sky Villas crown the tower, each accessed by private lift and opening to uninterrupted views of Downtown Dubai and the Burj Khalifa. Beneath them, one-, two-, and three-bedroom residences are crafted with refined simplicity — filled with natural light and overlooking the canal's tranquil expanse.

The Podium floor is dedicated entirely to leisure and recreation, featuring padel tennis, landscaped decks, and serene water edges that connect residents to the outdoors.

the LOCATION

Coralis sits on the promenade of the scenic Meydan Canal, with in Meydan Riviera — a destination that brings the elegance of the French Riviera to Dubai’s modern heart. Overlooking tranquil waters and framed by boutique retail and lush open spaces, it offers a lifestyle of refined leisure and effortless connectivity.

Just minutes from Downtown Dubai and the Design District, this exclusive address blends cosmopolitan vibrancy with serene waterfront living.

about MEYDAN
RIVIERA

Amenities &
SURROUNDING AREAS

- [1] Meydan Riviera features waterfront promenades, landscaped boulevards, leisure zones and boutique retail offerings built around a crystal lagoon concept.
- [2] Scenic canal, promenade with cafés, restaurants, and boutique retail.
- [3] Lush landscaped parks and pedestrian-friendly boulevards.
- [4] Clubhouse, fitness and wellness zones, and community pools.
- [5] Cycling and jogging tracks along the waterfront.
- [6] Schools, nurseries, and essential retail within short reach.

Highways & ROAD CONNECTIVITY
