AZURE

by Lapis

Message from the Chairman

As we celebrate 20 years of LAPIS Properties, I look back with pride on a journey built on vision, resilience, and trust. From the start, our goal was never just to construct buildings, but to create spaces that inspire, elevate, and make a difference in people's lives.

Guided by innovation, quality, and core values, we have grown across the Middle East and Turkey, delivering not just projects but lasting impact. The trust of our clients, investors, and partners has been our greatest strength, helping us overcome challenges and reach new heights.

Looking ahead, we remain committed to innovation, sustainability, and purposeful growth.

With your continued support, we will keep shaping communities and building a legacy of excellence, one project at a time.

**Chairman,
LAPIS Properties**

Where Serenity Meets
Sophistication

The Essence of AZURE by Lapis

Azure stands as a symbol of refined living on Al Marjan Island, Ras Al Khaimah's most prestigious waterfront address. Rising against the horizon where the sea meets the sky, Azure captures the essence of serenity and sophistication in one timeless destination.

Here, the calm rhythm of the ocean is met with architectural elegance, creating a lifestyle that is both elevated and effortless. Azure is more than a residence, it is a sanctuary shaped by nature, designed for those who seek clarity, beauty, and meaning in the spaces they call home.

An aerial photograph of a beach with several blue umbrellas and people. The water is a vibrant turquoise color, and the sand is light-colored. The image is oriented vertically, with the beach on the left and the water on the right.

A Destination Beyond *Compare*

Framed by mountains, desert, and the sea, Ras Al Khaimah is one of the UAE's fastest-growing destinations for luxury living and investment.

Known for its natural beauty, rich heritage, and forward-looking vision, the emirate is becoming a global hub for tourism, leisure, and real estate.

With landmark projects such as the upcoming Wynn Resort & Casino on Al Marjan Island and world-class golf, hospitality, and adventure attractions, Ras Al Khaimah is shaping the next chapter of elevated living in the UAE.

SERENITY

Elevates living

At Azure, design becomes an experience. Rising 40 stories above Marjan Island, every line of the tower is drawn to the horizon, framing endless sea views and open skies.

Guided by clarity and flow, the glass invites natural light, verticality enhances perspective, and materials evoke timeless calm. Each residence is a sanctuary, balancing privacy with openness, elegance with simplicity.

***Here, design is purposeful;
Shaping spaces that elevate daily living, inspire connection, and reflect the quiet rhythm of sea, sky, and home.***
