An aerial photograph of a tropical coastline. In the foreground, a dense forest of palm trees and other tropical vegetation covers a hillside. A body of water, likely a lagoon or bay, is nestled between the forest and the ocean. The water is calm, reflecting the sky. The ocean is visible in the background, with waves breaking on a sandy beach. The sun is low on the horizon, creating a warm, golden glow over the entire scene. The sky is a mix of light blue and orange.

A wide-angle landscape photograph of a coastal resort. In the foreground, a grassy hillside slopes down towards a white sandy beach. The beach is nestled between a large, green, rocky cliff on the right and a smaller, white, layered cliff on the left. The water is a vibrant turquoise color, with white foam from the waves washing onto the shore. The sky is a clear, deep blue with a few wispy clouds. The overall scene is one of natural beauty and tranquility.

A wide-angle photograph of a tropical beach. In the foreground, two wooden lounge chairs with light-colored cushions are partially visible, angled towards the beach. The middle ground features a wide expanse of white sand leading to gentle waves with white foam washing onto the shore. The background is a deep blue sea meeting a clear, pale sky at the horizon. Two palm trees are positioned on either side of the frame, their fronds reaching over the beach. The overall atmosphere is peaceful and luxurious.
