WHERE INDIAN HERITAGE MEETS DUBAI'S MODERN SKYLINE

Purvanchal Group proudly announces its fourth landmark development in Dubai – Purvanchal Triana Residences. The Group's presence in Dubai is strengthened through its wholly owned subsidiary, Purvanchal Real Estate Developers LLC, with ongoing projects including six townhouses in Al Furjan, Sunbliss Residences, and four ultra-luxury villas in Jebel Ali Hills. These developments reinforce our reputation for refined workmanship, reliable delivery, and trusted client relationships.

A NEW CHAPTER OF ELEGANCE IN THE CITY OF VISION

After establishing a legacy of more than three decades of excellence across North India, Purvanchal Group is pleased to announce the launch of its fourth landmark development in Dubai – Purvanchal Triana Residences.

Purvanchal Group's presence in Dubai is already well-established through its wholly owned subsidiary, Purvanchal Real Estate Developers LLC. Leading this presence are three distinguished developments: six elegant townhouses in Al Furjan, now nearing possession; the contemporary lifestyle tower Sunbliss Residences, scheduled for delivery in December 2026; and an elite enclave of four ultra-luxury 7 to 8-bedroom villas in Jebel Ali Hills, scheduled for delivery in March 2026. Collectively, these developments signify Purvanchal's arrival among Dubai's most aspirational and design-forward developers.

These developments reflect the Group's sustained record of reliability, refined workmanship, and transparent practices, thereby reinforcing the trust and confidence placed in us by our clients.
