A man in a white long-sleeved shirt and dark trousers is walking away from the camera down a dirt path in a tropical jungle. The scene is bathed in warm, golden light from the sun, which is positioned high in the background, creating a strong lens flare and illuminating the air with a hazy glow. Tall palm trees and other tropical foliage frame the path, with some leaves in the foreground being out of focus. The overall mood is serene and majestic.

THE HOUSE
of
MOUAWAD

*A jewelry house specialized in crafting
the extraordinary since 1890*

Mouawad is a renowned luxury jewelry brand known for its timeless elegance, exceptional craftsmanship, and rich heritage. For over a century, Mouawad has created extraordinary jewelry with artistic mastery. From stunning diamonds to iconic world records, Mouawad captivates luxury lovers worldwide. Founded in Lebanon in 1890 by David Mouawad,

Mouawad's heritage is led by fourth-generation Co-Guardians and brothers Fred, Alain, and Pascal Mouawad, joined by fifth-generation Co-Guardians Jimmy and Anastasia Mouawad, each perpetuating a heritage of excellence and bringing a lifetime of passion to their respective roles. The Mouawad family has undertaken significant projects

to share their knowledge and gems with the world. Notable efforts include naming the Gemological Institute of America's main campus, hosting a diamonds exhibition at the Natural History Museum in Paris, designing the Miss Universe crown and establishing the Robert Mouawad Private Museum in Beirut.
