Ghaf Woods Mall:
where nature meets ambition

The region's first forest-integrated shopping and leisure destination, Ghaf Woods Mall, is woven into the living fabric of the community. Curated retail, exceptional dining, and immersive leisure unfold within a biophilic environment, shaped as much by the canopy above as the design within.

The 30th in Majid Al Futtaim's portfolio and the first of its kind in the region, it marks a new era in community placemaking, where ambition and nature grow in the same direction.

Step through.

Everything begins here.

For every beginning, of every kind

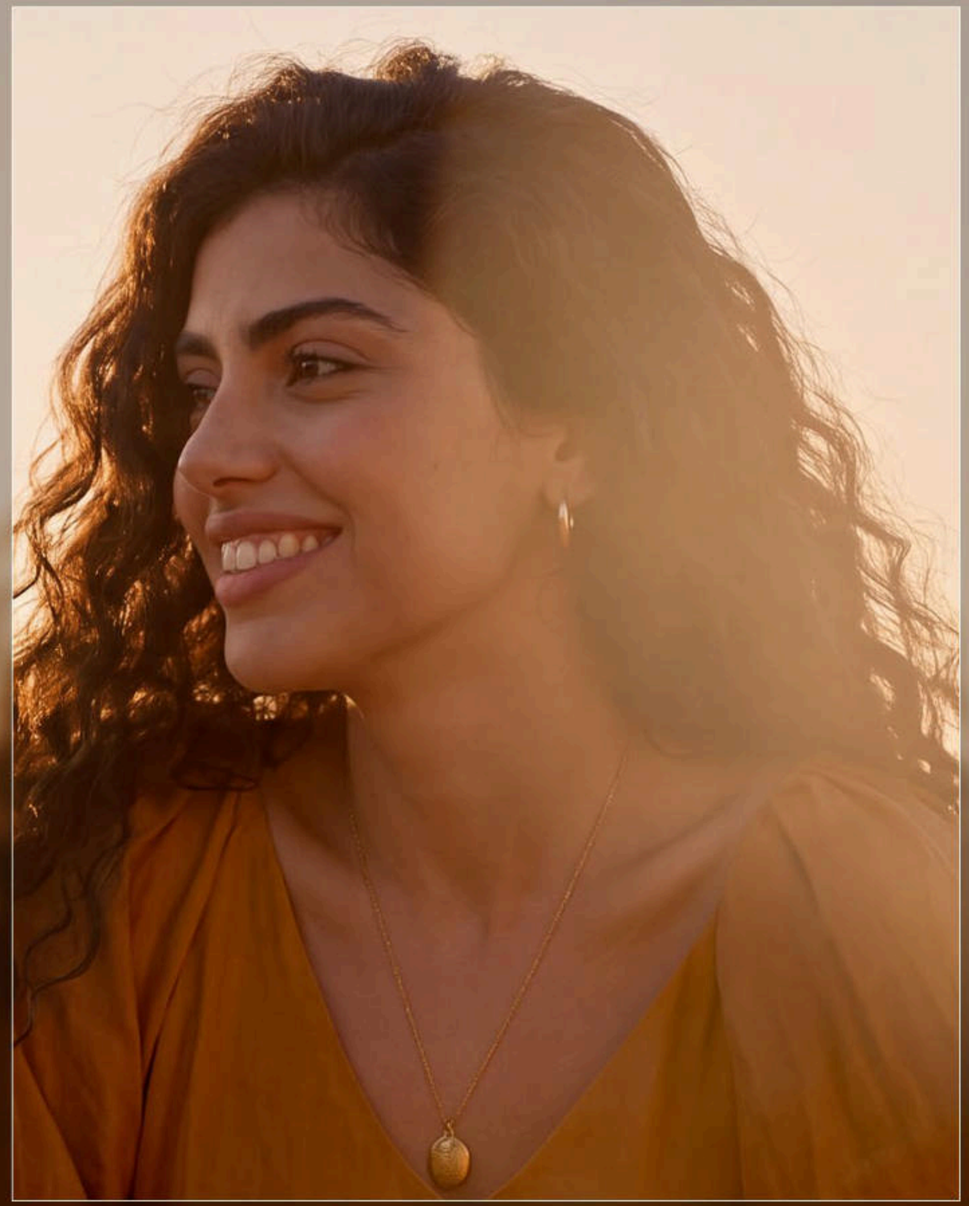

Surface in water
above the canopy
A threshold that holds a beginning as naturally as it holds the view.

Win your first point and
count yourself in
Where your beginning finds its rhythm.

Nourish
what begins
Green, unhurried, and quietly alive.

This is everything you were

always meant to find

Strengthen where the forest is
part of the effort
For those who begin their days with intention.
START

Settle at a desk and

write your first line

For beginnings that need space to think,
and ones that need to be heard.

Find your people in rooms that
outlast the evening
Unhurried evenings. Unplanned connections. A sense of community.

INTERIOR PALETTE

Drawn from the living landscape of Ghaf Woods, Prelude layers warm earthy tones, natural oak, and soft textures with touches of terracotta that echo the warmth of the earth.

A palette rooted in nature. Set before life within begins.

Signature Living
by Majid Al Futtaim

In 1992, our founder Mr. Majid Al Futtaim envisioned how to create a space in which families, friends and communities could craft lifelong memories. He wanted to transform shopping, entertainment, and leisure to create great moments for everyone, every day.

As well as our world-renowned retail establishments, we create masterful living spaces within five mixed-use communities through the art of placemaking, housing more than 2,500 families across the UAE, Oman, and Lebanon.

This is that moment.
Your beginning is ready when you are.
