DUBAI INTERNATIONAL CITY 2

About Tomorrow World

Established in 2002 and headquartered in Dubai, United Arab Emirates, Tomorrow World Properties is an innovative boutique real estate developer and a distinguished subsidiary of the Tomorrow World Group - a Dubai-based conglomerate with more than a 30-year legacy (since 2002) of global trading excellence and strategic investments.

Why Invest in Dubai

Dubai offers a thriving business and investment landscape with tax advantages, world-class infrastructure, a strong and diversified economy, government-backed growth initiatives, and a safe, multicultural environment. Supported by a growing population, robust rental demand, attractive property returns, and flexible visa options, Dubai continues to be a global hub for opportunity and growth.

Introducing Dubai International City 2

Positioned as the expansion of Dubai's most consistently high-performing investment community, International City Phase 2 offers an unbeatable combination of affordability and cultural diversity, its strategic connectivity, comprehensive daily amenities, and major infrastructural advancements highlighted by the impending Metro Blue line and adjacent new developments are cementing its status as a prime destination for residents and businesses. This strong momentum is further bolstered by Dubai International City's exceptional legacy of delivering market leading rental yields for 15 consecutive years.
