Antigua

DAMAC ISLANDS 2

A LIFE DESIGNED WITH INTENTION, EMOTION, AND NATURE AT ITS *Heart*

Here, homes breathe with the trees,
paths curve with the wind, and every corner
is shaped by the wisdom of the wild.

DAMAC ISLANDS 2

WHERE THE *Legacy* OF DAMAC ISLANDS CONTINUES

After the sell-out success of DAMAC Islands, the vision advances with DAMAC Islands 2 – an elevated island-inspired lifestyle. Reimagined as a seamless continuation of the master community, it introduces new spaces and experiences shaped by tropical living.

AN INVESTOR'S *Paradise*

DAMAC Islands made history – and now, the next chapter promises to be even bigger, bolder, and more rewarding.

PROVEN RETURNS, ELEVATED LIVING

Where smart investment meets inspired living, DAMAC Islands is a community that has proven to reward both your portfolio and your way of life.

A LAUNCH BEYOND EXPECTATIONS

DAMAC Islands was a iconic debut that sold out, proof that true paradise needs no introduction.

ENDURING APPEAL, EXCEPTIONAL YIELDS

DAMAC waterfront communities deliver the perfect blend of luxury and strong investment appreciation, backed by some of the best rental returns in the market.

DAMAC ISLANDS 2

Balance isn't built — *it's felt*

From healing spaces to mindful design, wellness flows through water, light, and silence.

DAMAC ISLANDS 2

DAMAC ISLANDS 2

PARADISE ISN'T A PLACE

It's a Way of Living

At DAMAC Islands 2, every moment awakens your senses, calms your spirit, and inspires your soul. Here, luxury is truly about reconnecting - with nature, with yourself, and with your community.
Guided by the five pillars of eco-living - Nature, Wellness, Adventure, Social, and Cultural, life here isn't just sustainable. It's soulful.

BUILDING TOMORROW
Responsibly

At DAMAC, sustainability isn't just a feature - it's the foundation of future urban living. As pioneers in master community development, we design with purpose, integrating smart infrastructure, energy-efficient systems, and green spaces that enhance everyday life.

ENVIRONMENTAL PROTECTION

RECORD COMMUNITY INVESTMENT IN 2024

Our commitment is validated by globally recognized LEED certifications, reflecting high environmental standards across our portfolio. From construction to community planning, every detail reduces environmental impact and maximises long-term value.

We don't think of sustainability as a trend – it's our blueprint for progress. It's what drives us to explore smart technologies, renewable energy, and eco-conscious materials for shaping a greener tomorrow.

Townhouses

ISLAND LIVING WITH

Urban Energy

For those who crave the rhythm of the city but dream of the calm of the coast, our townhouses offer the best of both worlds. Thoughtfully designed with open-plan layouts, private gardens, and rooftop terraces, each home is a vibrant expression of tropical modernity. Live close to the action, yet always within reach of serenity.
