RR RESIDENCE

Was conceptualized to offer modern living within a thriving, sustainable, and well-connected ecosystem. Located in the heart of Dubai South, the project combines lifestyle comfort with seamless connectivity to the city’s logistics and economic hubs.

Project Highlights:

Strategic location in Dubai South, easy access to key attractions, Al Maktoum Airport, and Jebel Ali Port – making it ideal for end-users and investors.

Strategically Located in Dubai's Most Promising District

Dubai Aviation City, Dubai South

Dynamic economic hub expected to generate 500,000 jobs

Close proximity to Palm Jebel Ali, Burj Al Arab, and Downtown

Designed to foster a sustainable and happy community

TOWARDS 2040:

Dubai South's Bold Vision for Tomorrow

STRATEGIC LOCATION

Direct access to Al Maktoum International Airport, Etihad Rail, and Jebel Ali Port.

MASSIVE SCALE

Spanning 145 km², making it one of the largest urban developments in the UAE.

EMPLOYMENT HUB

Targeting 500,000+ job opportunities in logistics, aviation, and allied sectors.

SUSTAINABLE CITY

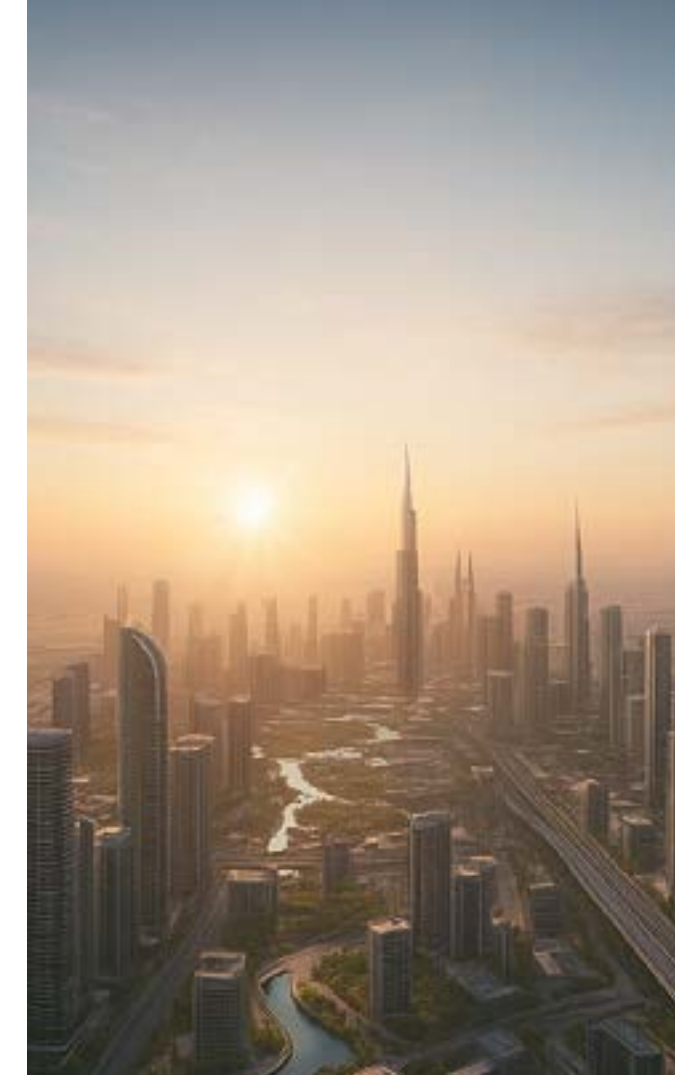

Focus on green buildings, clean energy, and smart infrastructure.

FUTURE-READY

Aligned with Dubai Urban Master Plan 2040 for long-term growth.

GLOBAL CONNECTIVITY

Positioned as a premier multimodal logistics platform.
