MASTER PLAN

- 
- The master plan shows a development integrated into a lush green landscape. It features a central area with various hubs (8, 9, 10, 11, 12) and surrounding residential and commercial buildings (1-7, 12). The layout includes roads, parking areas, and extensive greenery. The numbered zones are distributed across the site, with some buildings having solar panels on their roofs. The overall design emphasizes a blend of urban infrastructure and natural environment.
