OUR CONCEPT

ABOUT THE BRAND

The One is a private collection of serviced residences in Bali, crafted for elevated tropical living and meaningful ownership.

It's for those who want a home that feels like it was always meant to be theirs, where natural beauty, thoughtful design, and long-term value come together.

Each space is open, refined, and built for balance between personal escape and passive return.

STRATEGIC BRAND FRAMEWORK

Developer

Dubai-based real estate developer delivering design-driven residential and hospitality projects with strong investment value.

Role: Developer and brand owner of The One.

Licenser

Global hotel company operating 9,000+ properties across 95+ countries, spanning economy to upscale segments.

Role: Licenser providing global brand standards and distribution.

Brand

Resort-style residential development in Nusa Dua, Bali, offering premium villas, townhouses, and apartments designed for lifestyle living and investment returns.

Role: Core proprietary brand developed and owned by Almal.

Collection

Upper-upscale soft brand by Wyndham, featuring distinctive luxury hotels and resorts with strong local character and global distribution power.

Role: Collection platform where The One operates under Wyndham's global network.

Global distribution, brand credibility, and premium positioning — powered by Wyndham and Registry Collection.

WHY WYNDHAM ENHANCES ROI FOR OWNERS

This project is designed to outperform the market by leveraging Wyndham's global distribution network, a powerful loyalty program, and professional revenue management systems typically unavailable to independent properties.

ROI Driver	Description	Benefit
Global Distribution Network	Connected to Wyndham's SynXis reservation system, giving the property visibility across hundreds of travel platforms, travel agencies, and Wyndham's global booking channels.	Greater visibility, higher occupancy, and stronger daily rates.
Wyndham Rewards Loyalty Program	Access to a global community of over 100 million travelers through Wyndham's loyalty ecosystem.	Increased repeat bookings and stronger occupancy year-round.
International Brand Standards	The property follows strict international brand standards and quality assurance inspections.	Protects long-term property value and resale potential.
Professional Revenue Management	Advanced revenue management systems dynamically adjust pricing based on global demand trends.	Optimized nightly rates and improved overall returns for owners.

DESIGN CONCEPT

The One Bali blends tropical-modern design with Balinese soul across a low-rise, thoughtfully planned site in Nusa Dua.

Architecture embraces seamless indoor-outdoor living, with full-height glass doors, private gardens, and plunge pools. Inspired by traditional spatial rhythms, each residence is layered with natural textures—wood, stone, and brass—creating a timeless, elevated atmosphere where privacy and nature coexist effortlessly.
