Where Inspiration becomes Sanctuary

From the desert's beauty,
the vision of an oasis emerged ...

A place where calm gathers,
Where nature and life find balance.

That spirit shaped the Courtyard,
A home with its own Sanctuary.

DUBAI SOUTH

Built to Shape the Future.

As the UAE's largest single master development, it spans a complete ecosystem - aviation, logistics, residential, commercial and lifestyle districts all interwoven into one ambitious blueprint.

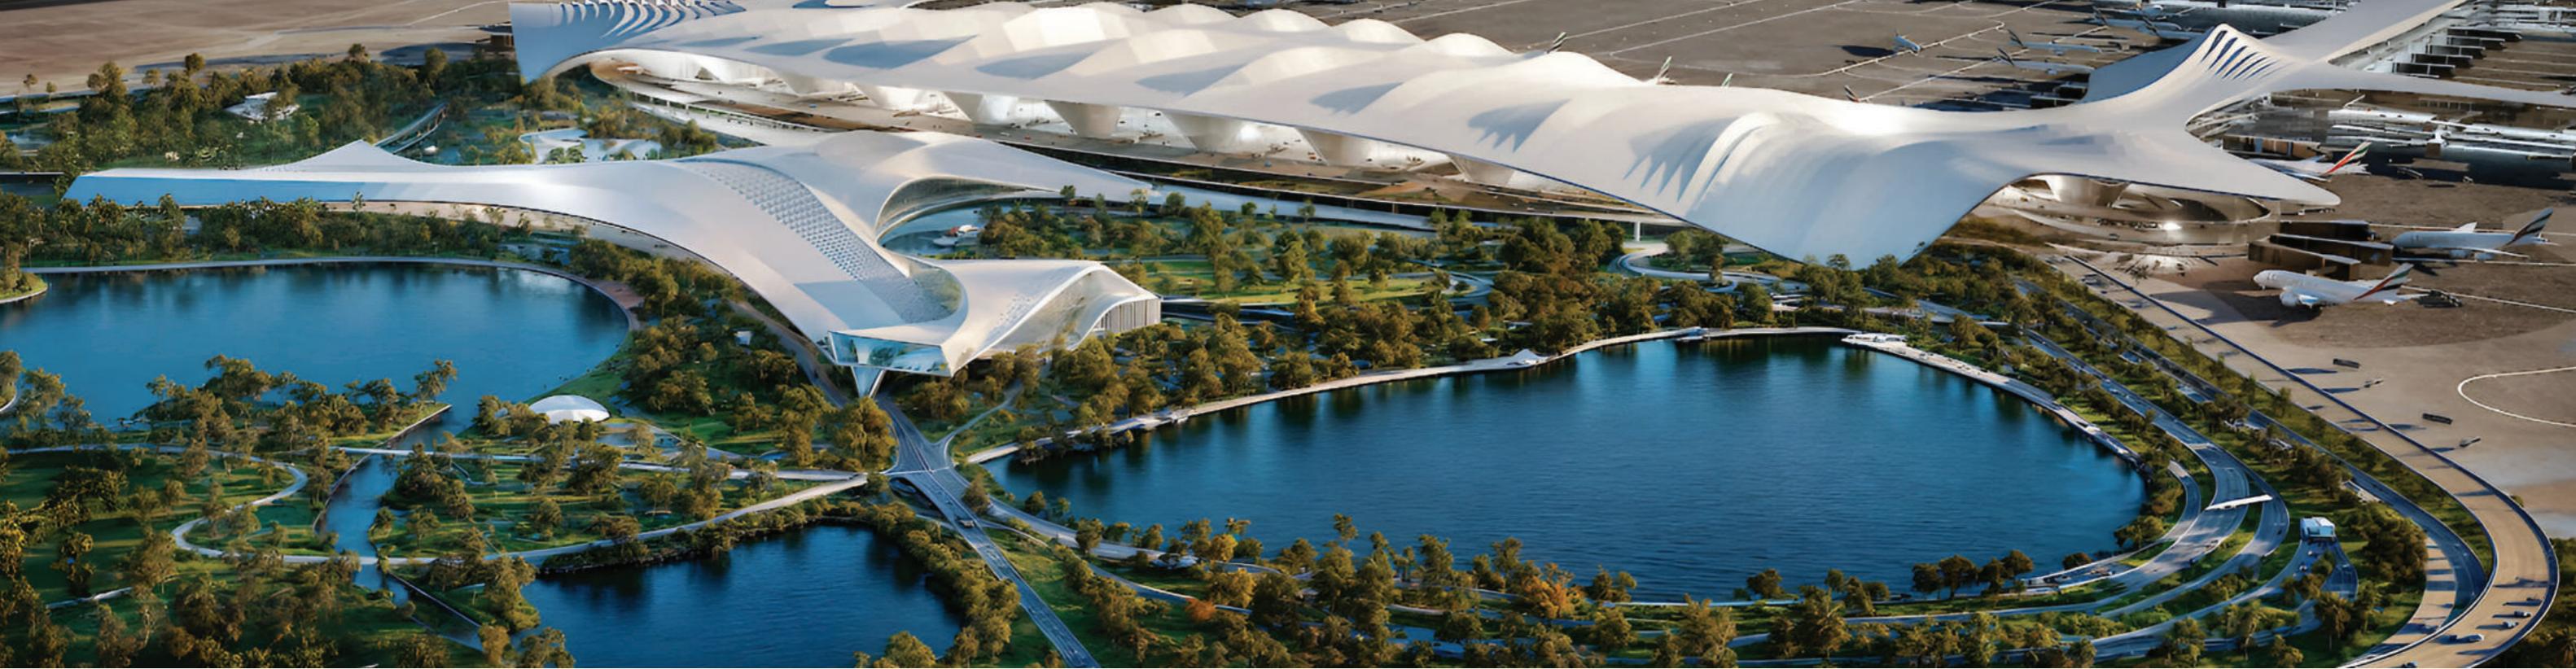

Yet beyond scale and infrastructure, this city has been designed with people at its core, walkable communities, green open spaces, and a vision of wellbeing that goes hand in hand with progress.

Dubai South is designed to be the preferred place to live, work, and invest.

Al Maktoum International Airport

A \$35 billion expansion is transforming Al Maktoum International into the largest airport in the world, with five runways and over 400 gates.

As Dubai's aviation focus shifts here, Dubai South is fast emerging as the epicenter of global travel and trade. Courtyard One owners will be positioned at the very core of this growth story.

Logistics District

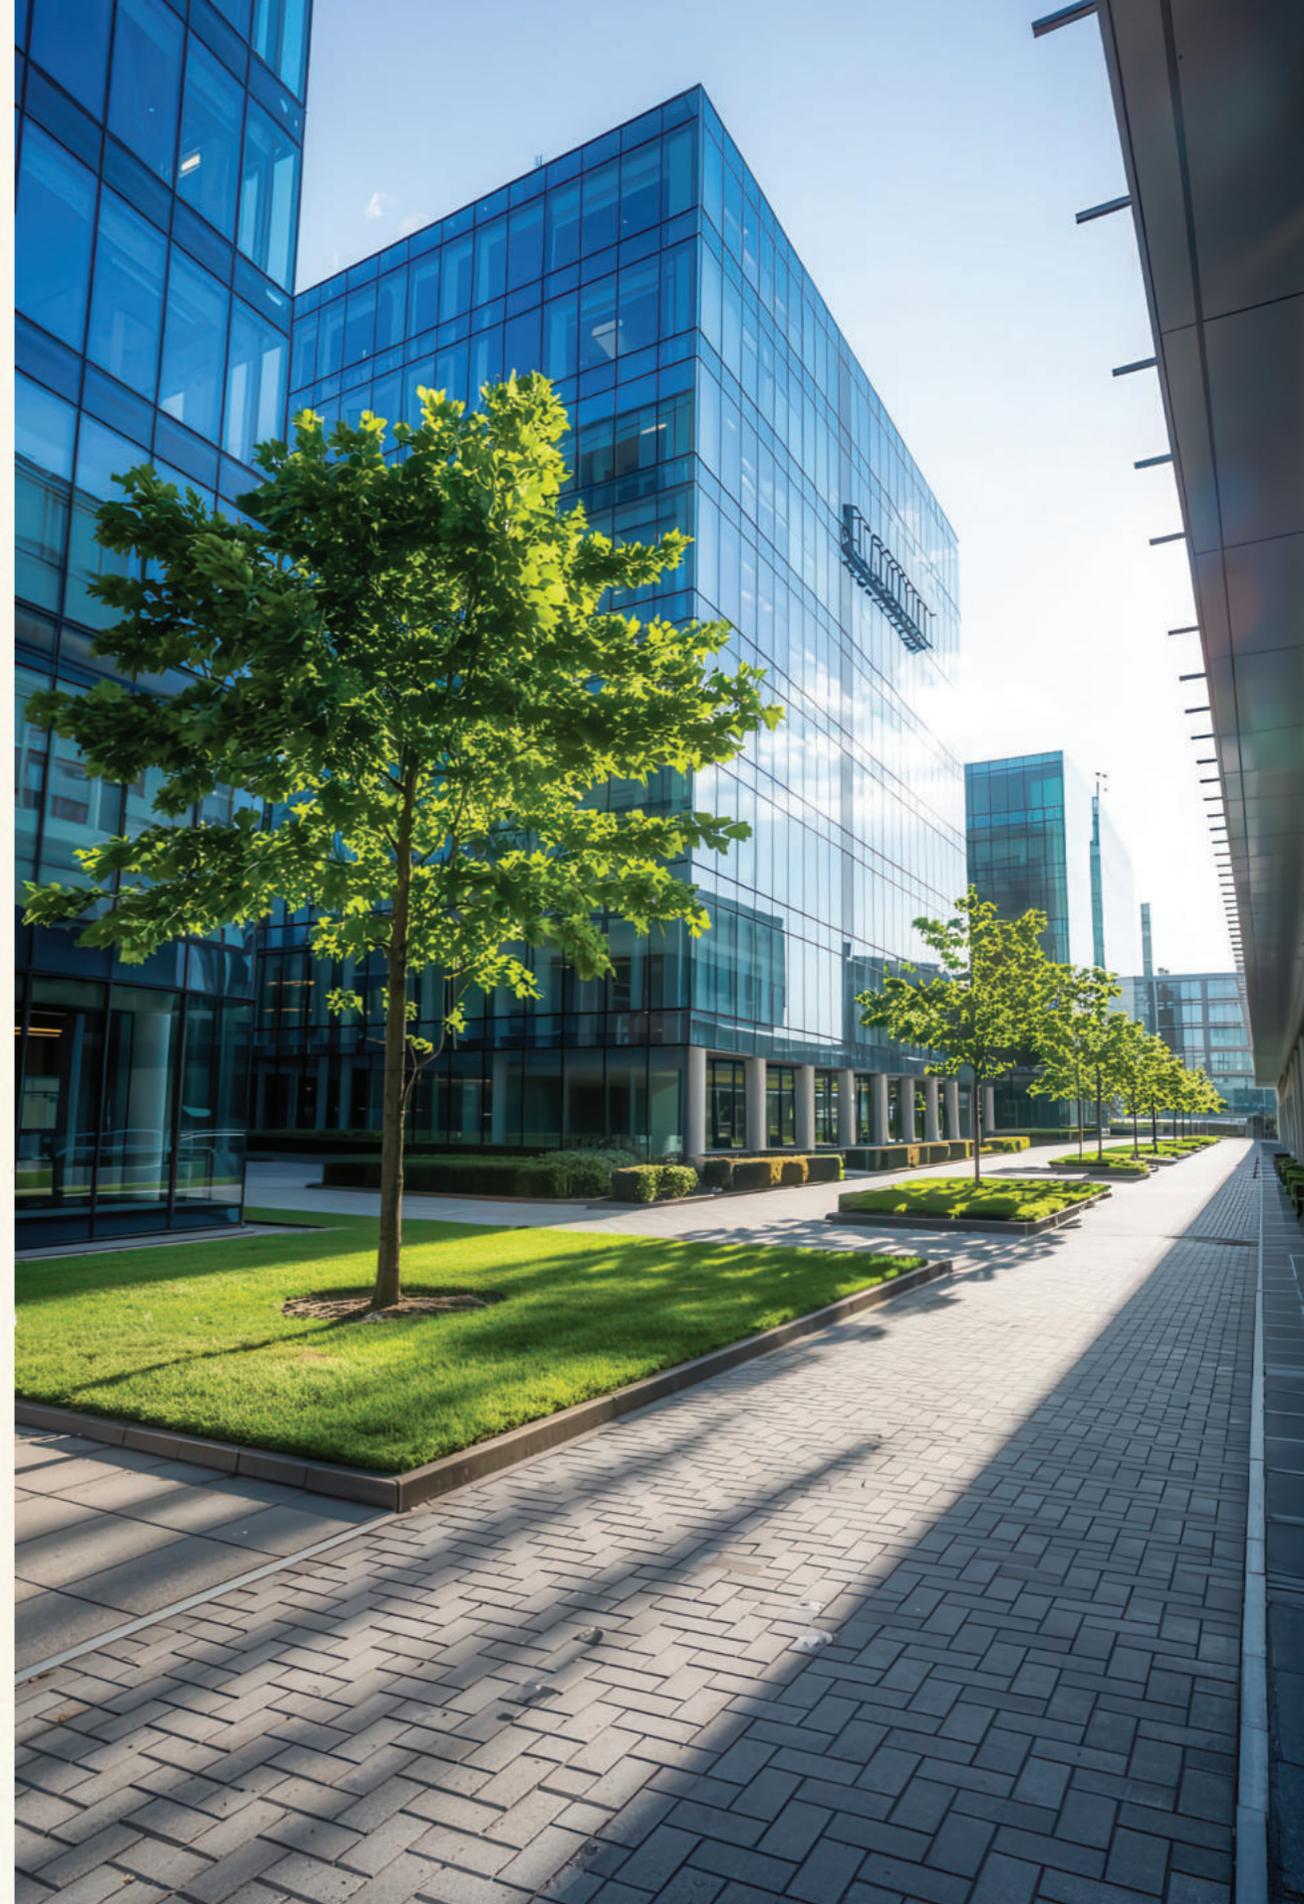

At the heart of Dubai South lies one of the world's most advanced logistics district, seamlessly connecting air, land and sea. With direct access to Al Maktoum International Airport, it powers global trade and e-commerce. For Courtyard One residents and investors, this means being part of a thriving economic hub where growth and opportunity are built into the address.

BUSINESS PARK & COMMERCIAL DISTRICT

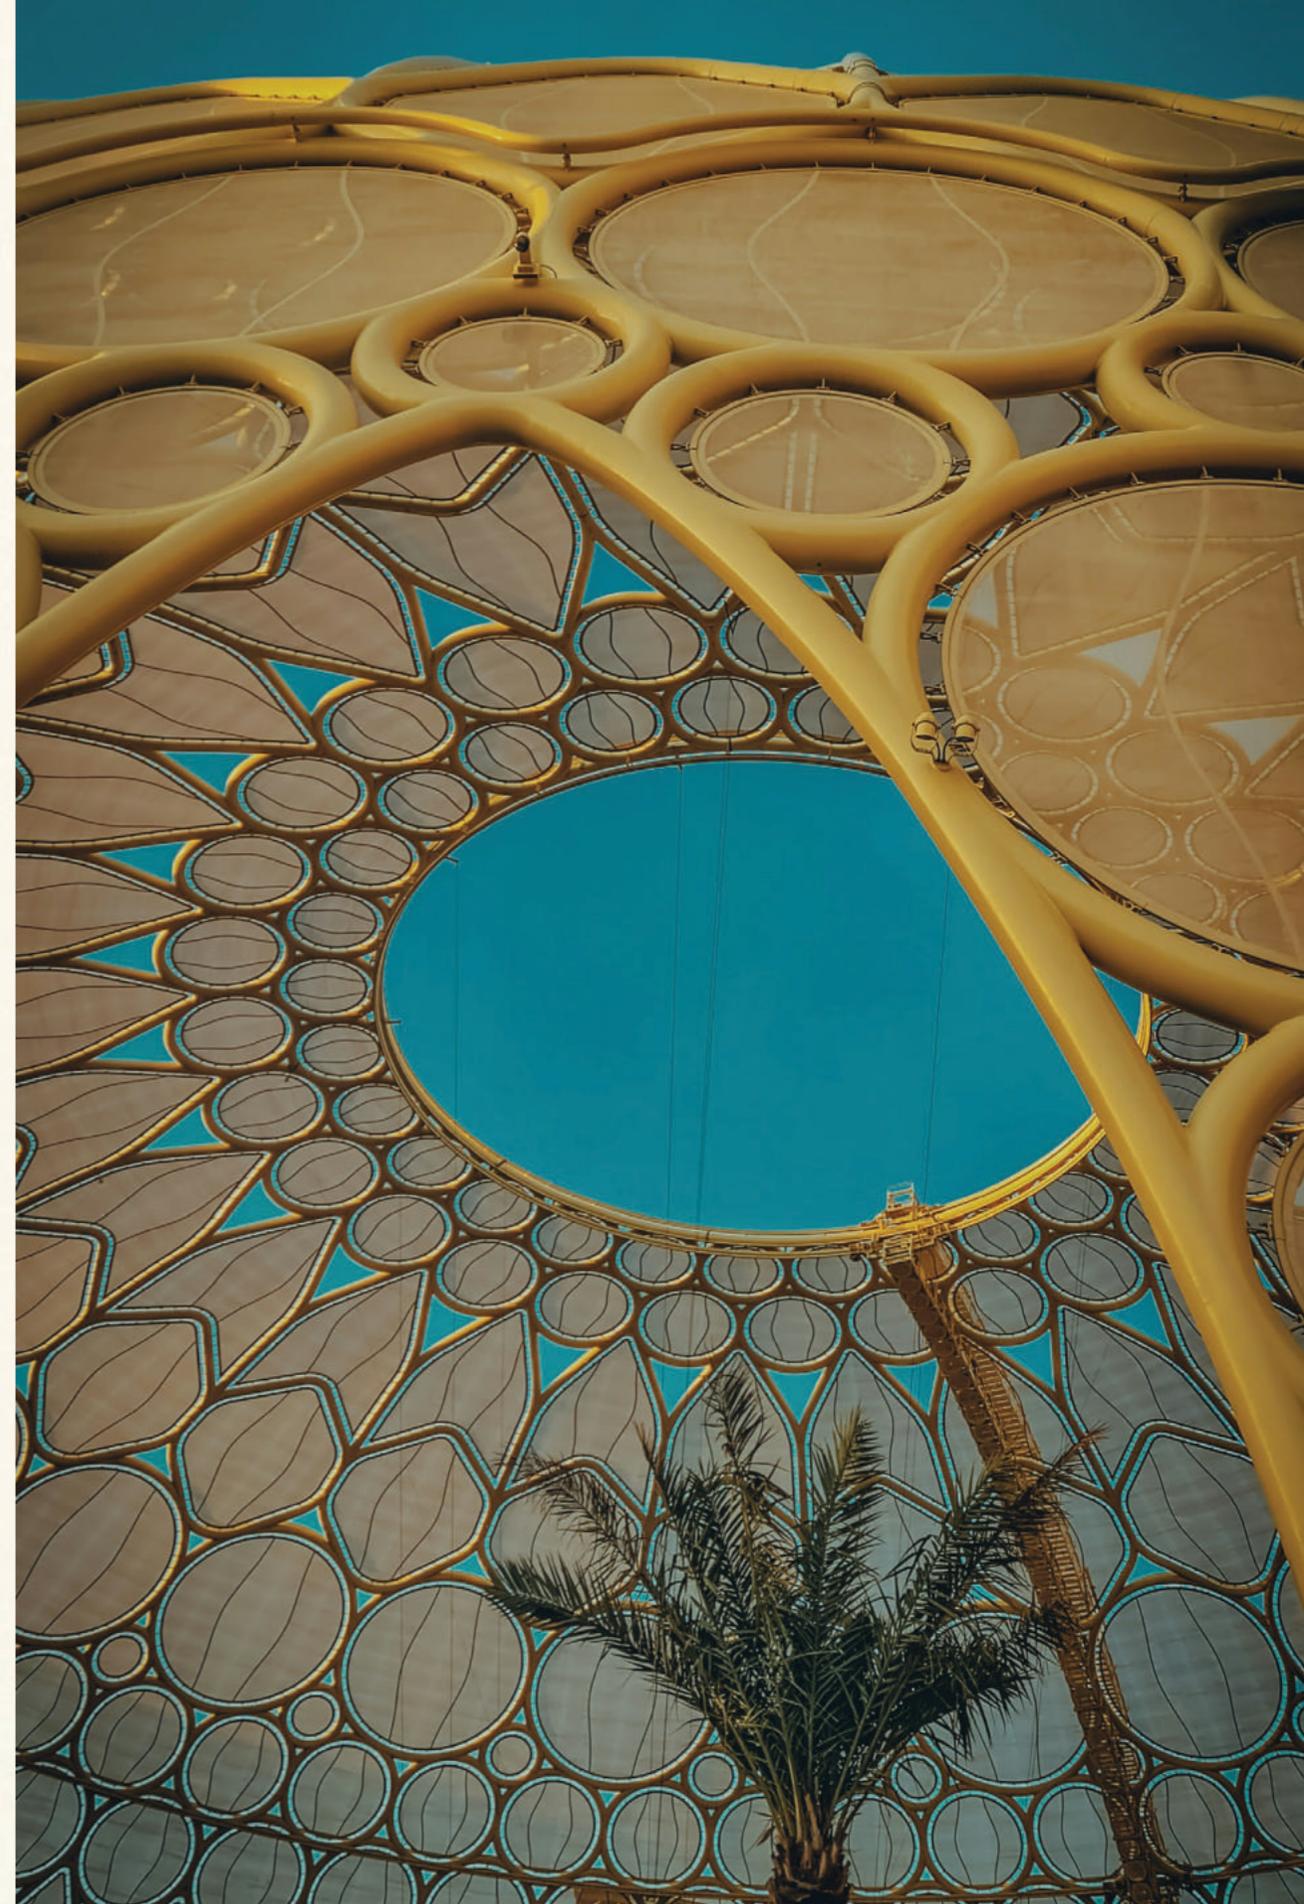

The upcoming Commercial District will bring the city to life with retail, dining, hospitality and entertainment. For companies, it offers connectivity and opportunity. For residents, it means work is never far away- more time at home, more time with family and more balance in everyday living.

The Business Park and Commercial District anchor Dubai South as a next-generation destination for work, leisure and investment.

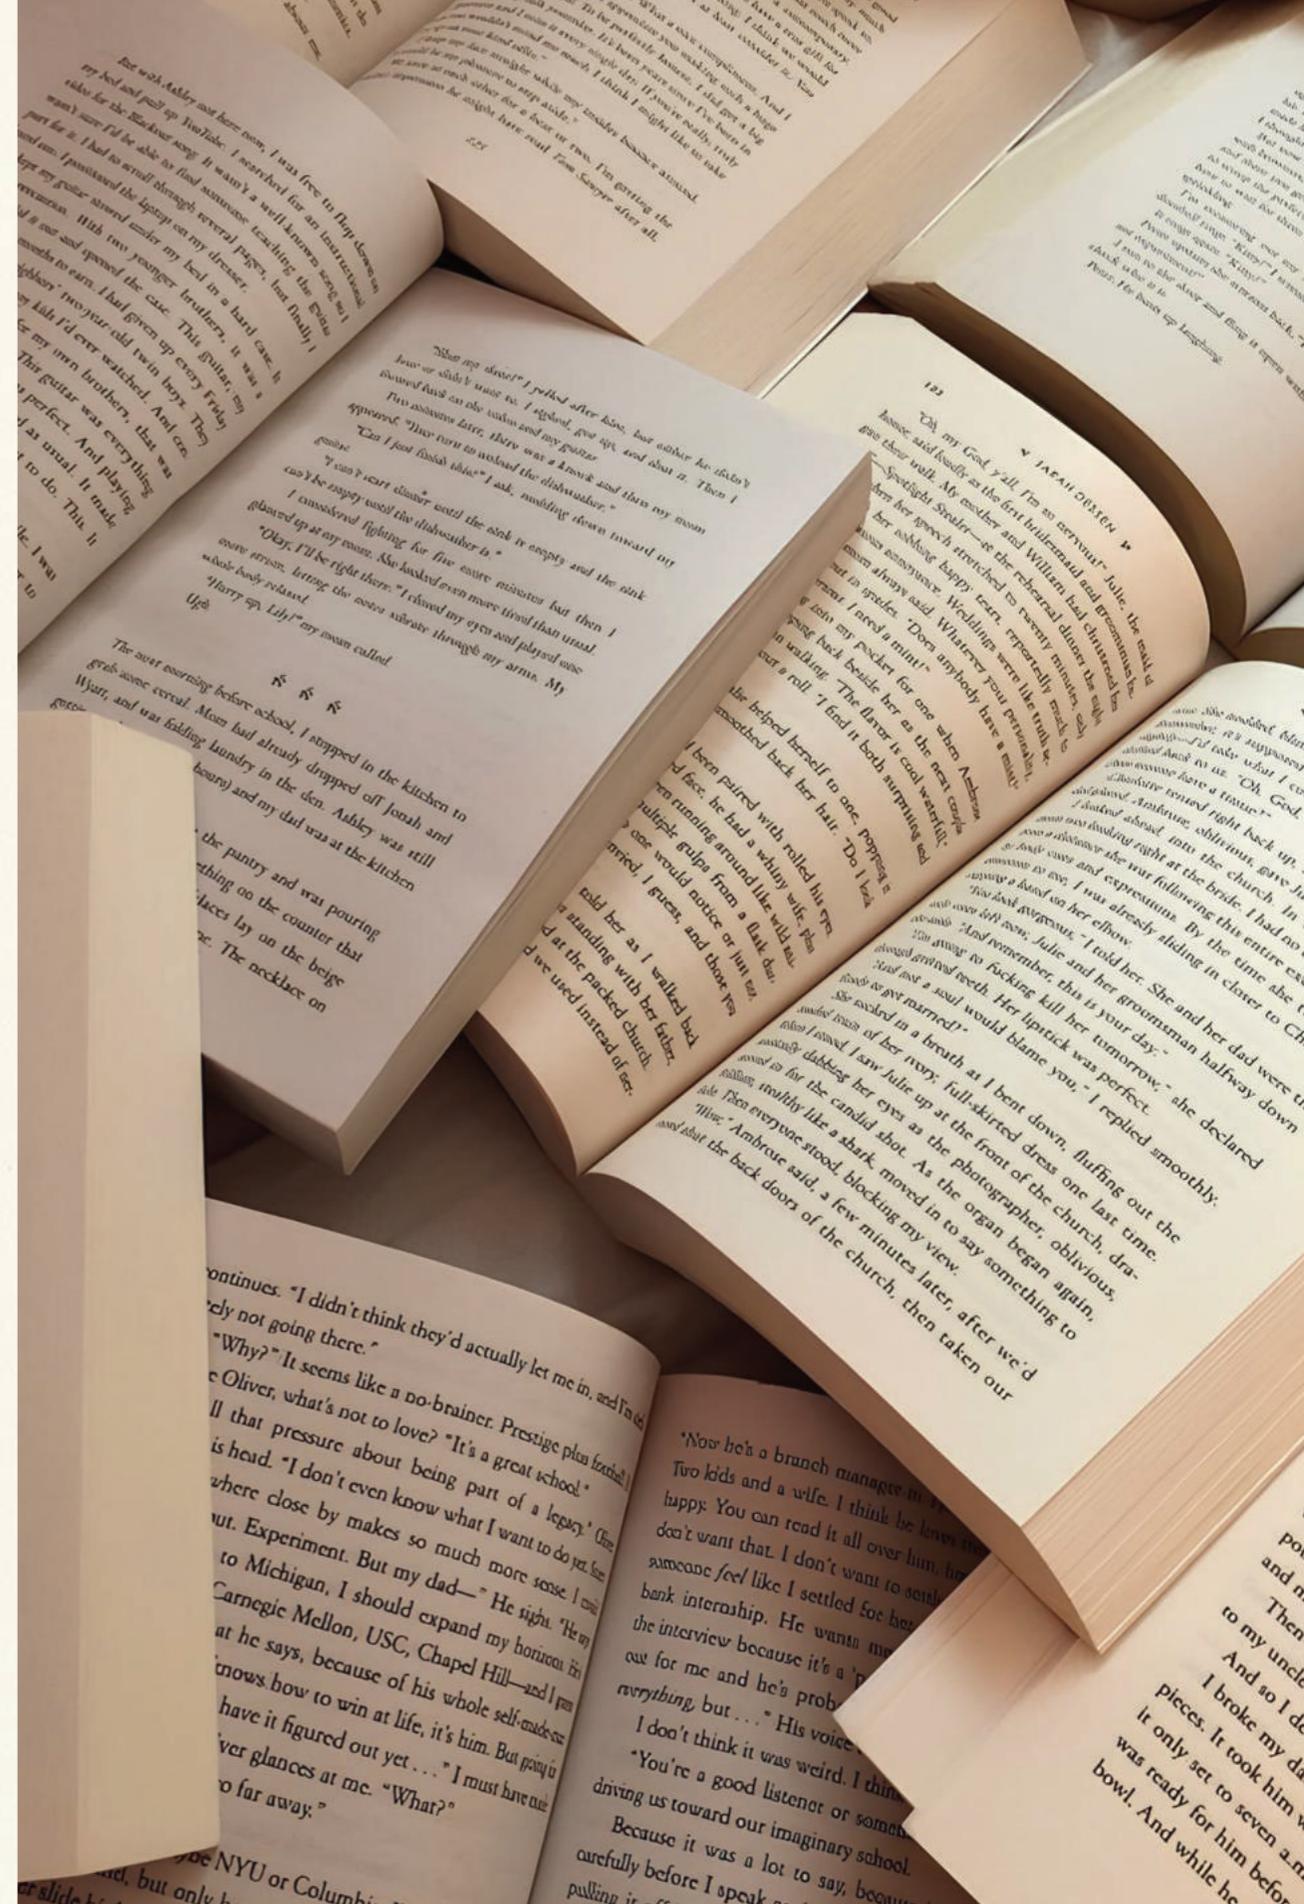

Expo City

Expo City, the legacy of Expo 2020, is evolving into a sustainable hub for business, culture and innovation. With world-class offices, R&D zones, lifestyle spaces and green mobility, it anchors Dubai South as a next-generation urban district. For Courtyard One residents, this ensures long-term value appreciation in a community designed for the future.

International School

Directly within Dubai South is a premium British-curriculum school offering world-class education in a modern, global environment. Families at Courtyard One enjoy the unmatched advantage of quality schooling right at their doorstep-making it not only a lifestyle destination but also a smart investment for generations to come.

A Space to Belong

The courtyard is designed as the heart of Courtyard One. A place where residents naturally come together. A shaded retreat to sit, talk, and unwind. A space for children to play, neighbors to connect, and families to share time.

It is more than open space. It is community, brought closer.
