WHERE LIFE

WHERE LIFE
STEPS OUTSIDE

Radiant Terrace is a new landmark on Al Reem Island. A tower where indoor comfort and open-air living are designed as one, rising through Shams Realm in Abu Dhabi with a simple conviction: that home does not end at the threshold. It begins there.

Radiant Terrace occupies a prime position on Al Reem Island, one of Abu Dhabi's most vibrant districts - a place where tree-lined boulevards, open waterways, and a thriving social scene come together in one connected neighbourhood. In Shams Realm, where the island is at its most alive, Radiant Terrace is exactly where it belongs.
